KSM DIRECTOR

PASTOR ANDREW PEARSON

O'AHU, HAWAII'

A WORD FROM OUR SENIOR PASTORS

2 Timothy 2:15

Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth.

Our mandate from God is to make disciples of all nations, to feed His sheep, and to provoke each other to love and good works. We are to live in such a way that others will be able to follow our example. King's Cathedral and Chapels is serious about the truth of God's word. In order to be accountable to God, the church, and the world, we are training God's anointed for service. Our faith, doctrine, example, and mission are the command of the Lord and thus not an option. Each semester of training will equip students with knowledge, understanding, and wisdom based on the Word Of God and His working among us. We want to pass on more than DNA. We want to expose each student to the power of the Holy Spirit, real healings, miracles, and the anointing that is for every believer today. Our goal is to make disciples that will know God intimately, do what pleases Him, and be like our Lord.

KSM

A WORD FROM OUR GRADUATES

PASTOR ALEX BETSILL

As a young man, KSM gave me an opportunity to learn and sharpen practical ministry skills while serving in ministry and also learn deep theological truths in a classroom setting. My faith and vision were always challenged and encouraged to do great things for God. The instructors and pastors spoke life into me and helped me see myself and my worth just as God does. This ministry school has left a lasting impact on me that I will never forget.

PASTOR ANDREW PEARSON

I joined KSM 14 years ago as a high school graduate knowing that I was called to the ministry but not much else. In the two years that followed, I grew in my knowledge of theology and ministry and in my relationship with God. I also gained key relationships, both in terms of mentorship and friendship, that I still value to this day. I highly recommend KSM to anyone wanting to pursue God's call on his or her life!

MINISTER BILLIE MAMUAD

I felt God calling me into ministry but didn't really know what steps to take. After hearing about KSM, I knew that is where I needed to be. I moved from Oklahoma to Hawaii and began my journey. During my time at KSM, my relationship with God was strengthened, I was challenged, and I grew in my faith. Yes, you gain hands on training and impartation from some of the greatest leaders, but you also learn how to hear the voice of God and follow His direction on your own! I encourage anyone who wants to pursue ministry or grow in their relationship with God to sign up. Don't delay the call God has for you!

PASTOR JIREH URMENETA

Im so glad that I was able to take advantage of this program at such a young age before jumping into full-time ministry. It helped shape my work ethic, character and spirituality in order for me to be ready for the ministry. KSM will help position you to be successful not only in ministry but in your life's calling that God has set before you. Join today and you may also find your spouse.

MINISTER ANGELO MALAQUI

God had other agendas for me after high school, and little did I know it was through this program! Because of KSM it educated me in many things. Not only instructing me to do the work of the ministry and moving the kingdom of God forward but also teaching me life lessons outside of the church. I've attained a great foundation in my relationship with God through the program but also life long friendships. I wouldn't trade this experience for anything! Don't miss out on what God has for you in KSM!

JAKE ARMSTRONG

KSM was a life changing experience for me. Through my 2 years in the program, I strengthened my walk with God, increased my understanding of God's word, and was activated in the gifts of the Holy Spirit. Every believer should invest time growing in God's word, and KSM provides a powerful way to grow that knowledge. KSM also created lasting relationships with other believers and opened divine doors for me to accomplish God's will for my life. I strongly recommend that anyone who has a desire to grow in the Word or in ministry consider KSM.

MINISTER ELIJAH PERKINS

KSM was a launching pad for me into ministry. I knew I was called to the ministry straight out of high school. KSM taught me biblical foundation and the heart behind what we do. KSM develops character and gave me real hands on experience which has prepared me for many different aspects of ministry today.

MINISTER RYLAN BALDONADO

Not knowing what I wanted to do after high school, I went straight to KSM. It then led me to finding my God given purpose. I've learned how to humble myself and to serve the Lord from my heart. I believe that KSM will transform your life! Try it out and see where God takes you!

In 1980, Dr. Marocco was led by God to move to Maui to pastor First Assembly of God in Kahului, a church with a congregation of 100 people. That first Sunday in May - his first official service as the pastor - our church doubled. Within a year, we had grown to 700 people attending the Sunday morning services. Although the chapel on Kane Street had been expanded in attempts to accommodate the growth, God opened the door for us to secure the Maui Skate Palace which became our home in 1982.

In 1983, God spoke a word to Dr. Marocco that changed his life and our church forever. The Lord said, "Just as the mayor of Maui County is the mayor of three islands, I want you to pastor three islands." That year we started our first extension on Moloka'i, soon to be followed by an extension on Lana'i. This led to the concept of being one church not only in three locations but in many congregations as we expanded to other sites on Maui.

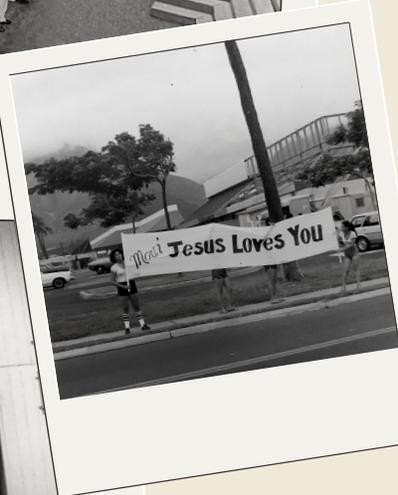

In 1984, God spoke to Dr. Marocco to secure 14 acres on the most trafficked corner of Maui. Ten Years later, after numerous miracles, we moved into our new church home: the largest church facility in the state of Hawaii.

In 1995, we were hit by a major move of God which was followed in 1996 with the opening of the first extension outside of Maui County in Honoka'a, Hawaii. Then, with rapid succession, extensions opened in Kaua'i, Alaska, Tahiti, California, Japan, and Seattle.

In 1999, Dr. Marocco stepped into a Times Supermarket in the Niu Valley Shopping Center on O'ahu and prayed, "Father, if you want me to build a church in East Honolulu, give us this property." What followed was another series of Miracles and in 2002, after the purchase of the shopping center, we began the construction of our Niu Valley Campus. During that same time a congregation began to meet at Niu Valley Middle School, and in 2006 we moved into our Niu Valley facility in what was formerly the Times Super Market.

IN THE MAKING

By 2005, we were in the 12/12/12 Vision, believing God to be in 12 nations, 12 places in the continental United States and 12 new campuses in Hawaii. By 2010, the vision grew, and we embraced the 120/20 Vision, believing to be one church with 120 congregations ministering to 20,000 people weekly by May of 2015.

Then God expended us further as we embarked on the 1-2-3 vision, to be fulfilled by 2020: 100 more churches in the United States, 200 more internationally, and 30,00 disciples worldwide. Subsequently, God directed us into our current vision - Vision 500 - as we believe God to be one church in 500 locations by May of 2021

In addition to having Campuses on Maui, Moloka'i, Lana'i, Hawai'i, Kaua'i, and O'ahu; our Mainland United States locations include California, Oregon, Washington, Alaska, Texas, Oklahoma, Arizona, Arkansas, Missouri, and West Virginia. Furthermore we are now in 16 nations around the world including the Philippines, Vietnam, Japan, Tahiti, Tonga, Fiji, Marshall Islands, Canada, Mexico, Chile, Spain, Mozambique, New Zealand, Brazil, Malaysia, and Italy.

EXPERIENCE LIFE

We thank God for His vision and what He has done; we are grateful that we have the privilege of being co-laborers with Him. Not only has God allowed us as a church, under the leadership of Dr. Marocco, to plant hundreds of churches worldwide; but God has allowed us to see hundreds of pastors, ministers, and leaders thrust into ministry. ***As our church continues to grow and God continues to expand our vision, more and more anointed men and women of God will be needed to carry the Gospel to the ends of the earth and build the church of Jesus Christ.***

PEOPLE. POWER. PURPOSE.

KING'S SCHOOL OF MINISTRY

Be a Disciple. Make a Disciple.

Ministry is incredibly multifaceted, and therefore, effective ministerial training must be so as well. KSM meets this demand through simultaneously focusing on theological training, leadership development, practical experience, and spiritual growth. This is done through three primary mechanisms: weekly classes, bi-weekly internships, and quarterly intensives. Furthermore, our schedule has been designed to accommodate students in multiple stages of life including high school graduates, professionals, parents, and even retirees. Not only does KSM commit to providing a comprehensive ministerial foundation, but it fulfills the educational requirement for licensing under KCI(King's Commission International).

WEEKLY COURSES

The backbone of the educational component of KSM is weekly classes taught by King's pastoral staff focused on both theology and leadership. Because KSM desires to accommodate students with careers and families, classes take place solely on Wednesday mornings. Students being responsible for assigned reading and projects on their own time throughout the remainder of the week.

INTERNSHIPS

There is no way around it, ministry is learned through doing. One of the greatest assets King's has to offer is the years of practical experience accumulated by our many pastors, ministers, and leaders. As a KSM student, you will be privy to this experience and expertise and be able to serve alongside and learn from ministry veterans. The internship track parallels King's pillar structure enabling the student to engage in the most holistic training experience possible. First year students rotate between the major ministries of King's, while second year students apply for a long term internship in an area of desired expertise.

Be diligent to present yourself approved to God as a workman who does not need to be ashamed, accurately handling the word of truth.
2 Timothy 2:15

INTENSIVES

KSM intensives are a new and exclusive edition to our discipleship process. Once a quarter students will attend a three day intensive taught by Dr. James Marocco at the Olinda property on Maui. These intensive courses are developed to leverage the weight of his knowledge and experience in the fields of theology, spiritual warfare, church growth, and apostolic leadership. Because of the indispensable content of the intensive courses, students on both the Maui and Oahu campuses are required to attend.

TYPICAL WEEK

Regular classes take place on Wednesday mornings. Morning classes are followed by an afternoon internship with first year students rotating between ministries. In addition, students are required to be a part of ministry life on Wednesday nights and all day on Sundays. Furthermore, every student will take part in, assist, and eventually lead a life group. With the exception of intensives and major events, a student's weekly requirements can be fulfilled on Sundays and Wednesdays allowing them to tend to their professional and personal obligations during the remainder of the week. For students who desire a full-time schedule, options are available both academically and ministerially to be treated on a case by case basis by the director.
